Hello Folks,

I have prepared a draft master meeting schedule for next year. There are two versions - one which incorporates Education Council on Mondays, and one which incorporates Education Council on Thursdays. Please have a look at both schedules with respect to your meeting dates and provide me with any feedback no later than Wednesday, February 14th. This should not be distributed to your Standing Committees; it is only for the Standing Committee support to review.

Thank you, and if you have any questions please do not hesitate to contact me.

Kyla
